Website: [www.lister.is](http://www.lister.is)

The following is the list of equipment owned by Lister and its members, hereafter collectively referred to as the band, that can be made available to other performing acts on concert night. For further information and coordination, contact [lister@lister.is](mailto:lister@lister.is).

### Drumset

- 20"x16" bass drum
- 13"x3" snare drum
- 13"x9" tom tom
- Alesis Sample Pad
- 8"x3" tom tom
- 10"x4,5" tom tom
- 16"x13" floor tom
- 5 cymbal stands (rackmounted)
- 1 hi-hat stand (cable)

Note that due to the drumkit's unusual size and setup it may not be the ideal option for sharing with other performers.

### Microphones

- 1x EV RE 320
- 5x EV PL 35
- 1x EV PL 33
- 5x Shure Beta 98A
- 1x Shure Beta 58A
- 1x Shure SM58
- 2x Shure SM57
- 1x Shure PG58

### Backline amplification

- 2x Orange Pedal baby 100
- 2x 2x12" guitar cabinets with Celestion Vintage 30 speakers.
- 1x Fender Rumble 100 1x15" bass combo

Note that the Orange amps are for clean power amplification only, intended for use with separate preamps, pedal boards or effects modellers.

## **PA/Monitoring**

The band does not provide full front of house PA system or stage monitors, only basic vocal amplification.

- Phonic MU1822 10-channel (8 xlr input) mixer.
- Crown XLS-402 Power amp.
- 2x Peavey HiSys 5XT Speaker cabinets.

## **Lighting**

The band provides no lighting equipment.

## **Stands**

- 1x straight mic stand
- 3x boom stands (for vocals)
- 9x goose necks, attached to the drumkit
- 2x cab-grabber mic stands
- 2x 3-guitar racks
- 6x single- guitar cradle stands
- 2x headstock hanger tripod guitar stands

Guitar racks may or may not have available slots on the night depending on the length of the bands set and number of tunings the band intends to go through.

## **Cables and wireless systems**

- 6x 10m XLR cables
- 6x 6m instrument jack cables
- 2x TRS male to XLR male converters (30cm tails)
- 2x TRS male to XLR male converters (solid adapters)
- 1x Line6 G10 instrument wireless
- 2x t.bone IEM 150 wireless in-ear systems
